

AUTOPAY DUES INSTALLMENT PAYMENT PLAN

Using your major credit card or/an automatic withdrawal from your checking/savings account, you can set up automatic monthly, quarterly, semi-annual, or annual dues payments—and forget about it.

AutoPay ensures that all the benefits of your membership will continue to be delivered to you without interruption—and your dues are divided into easily affordable increments.

HOW IT WORKS

Choose the installment of your choice and the Illinois State Bar Association will charge your dues to your designated account beginning on or about July 1 of each year. We will continue to debit your account of choice until you tell us by phone or in writing to discontinue the automatic charges.

At the beginning of each membership year, ISBA will contact you to review your current dues rate and make changes to the options you selected for your AutoPay plan.
